

Please do everything possible to keep K-LOVE radio station available across the US. If K-LOVE is displaced by an LPFM broadcaster, I won't be able to receive the benefits of listening to the awesome programming that K-LOVE provides. The wholesome messages that K-LOVE provides benefit those in my local community and people in communities across the country. Please preserve the K-LOVE broadcasting signal so that I and many others can continue to listen to commercial-free, family-oriented, positive, and encouraging radio programming.
